Quantity washed NLP plastic crates: 176
Quantity washed NLP plastic full pallets: 2

Height: 2490 mm (+50/-10 mm)
Weight (estimated): 320 kg
No top sheet, no cling film.

RETURN OF NLP PLASTIC CRATE 185 (GREEN)

Return/pick up from NLP of NLP plastic crate 185, the following stacks and transport safety are:

The crates are nestable 22 in height per stack x 4 stacks, total of 88 crates per NLP plastic full pallet x 2, as shown in the picture below.

Two NLP plastic full pallets with a total of 176 crates, as shown in the picture.

All bars on the top crates on the bottom pallet must be in the closed position, see picture below.

This also applies to the crates on the top pallet as it increases the transport safety.
